Dr. Mustafa Ali making a presentation during a seminar at the HORN International Institute

A group photo taken during the Minna conference in Nigeria

The BRAVE focus is a monthly newsletter of the BRAVE movement. This issue, number 007 focuses on the BRAVE activities in the months of June, July and August.

- BRAVE in partnership with other partners, *Epuka Ugaidi*, *Nuvision* and *Nailab* came up with the competition dubbed *Lenga Ugaidi na Talanta*; a competition of short film by the youth, under 35 years. The competition sought to promote fight against al-Shabaab and other VEOs through film and storytelling.
- CSCR implemented *Strengthening community's resilience against Radicalization and Violent Extremism* programmatic activities that took place in Mandera, Wajir, Garissa, Tana River and Nairobi. This programme was led and coordinated by the National Counter Terrorism Centre (NCTC), in conjunction with UNDP.

- CSCR/BRAVE was invited to attend GNRC 5th Forum titled Ending Violence Against Children: Faith Communities in Action in Panama City, from 9th - 11th May 2017.
- CSCR was invited to attend a forum on East Africa Civil Society Organizations Hub organized by the Global Center on Cooperative Security in conjunction with IGAD. The aim of this workshop was to explore how the complementary initiatives can strengthen capacities and support information sharing among CSOs engaged in P/CVE in the Horn of Africa.
- CSCR was invited to a conference in Minna, Niger State, Nigeria to share with Nigerian Muslim scholars and professionals the counter narrative developed in the Horn of Africa, since BRAVE had successfully developed a similar manual.
- CSCR/BRAVE held a seminar on the familiarization of the complexities of violent extremism and radicalization in Kenya.

CSCR
